

Federal Agency Seeking Two (Unpaid) Legal Interns

The Assassination Records Review Board is an independent federal agency created pursuant to the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (as amended). The Review Board is seeking two part-time (unpaid) legal interns to conduct research into certain legal issues related to the assassination of President Kennedy. The interns would be working under the supervision of the General Counsel. The interns will need to sign a non-disclosure agreement that would preclude discussing work-related matters with others until after the Review Board's Final Report to the President is issued in 1998.
