RE: Review of Certain Congressional Committee Records

PAGES: 5, including this cover sheet.

In view of the departure of Mr. Kornacki, who had been our contact with the Clerk's Office, I am sending you some background information with respect to efforts of the JFK Assassination Records Review Board to have certain Congressional Committee records reviewed for materials relating to President Kennedy's assassination.

Enclosed is a November 8, 1996 letter from the Review Board to the Clerk of the House, Robin Carle. Also enclosed is a copy of the title pages to the hearings of the Edwards Subcommittee (of the House Judiciary Committee) on the FBI; this subcommittee looked into the FBI's destruction of a note by Lee Harvey Oswald to the Dallas FBI office, and I would appreciate any assistance you can offer in locating the records for this subcommittee.
