FROM: Ronald G. Haron

SUBJECT: Transcript of August 27, 1998 Testimony

Thank you again for testifying on August 27. I am enclosing for each of you a copy of the August 27 transcript. Please review your testimony for any inaccuracies or transcription errors; these should be noted on the enclosed witness errata sheet at the end of the transcript. In addition, please sign and notarize the witness errata sheet.

Please forward the executed witness errata sheet to Steven D. Tilley at the National Archives. A pre-addressed envelope is enclosed. (You may retain the copy of the transcript.) Because the Review Board's term expires on September 30, the Review Board's records will be turned over to the National Archives.

We consider it essential that the National Archives have on record your signed acknowledgment that the transcript is accurate (with any corrections you might make). We, therefore, ask that you take the time to review the transcript and return the executed witness statement with any corrections.

Thank you for your cooperation, and do not hesitate to call me if you have any questions. You may also call Steve Tilley (301-713-6620 ext. 360) if I cannot be reached.

cc: Steven D. Tilley
