Dr. Vincent Guinn
10490 Graeloch Road
Laurel, Maryland 20723

Dear Dr. Guinn:

I am writing to request that you provide to the Assassination Records Review Board ("Review Board") all materials relating to your work on behalf of the House Select Committee on Assassinations ("HSCA"), including materials relating to the neutron activation analyses that were performed. We had previously requested this material from you (*see* April 15, 1996 letter from D. Marwell attached hereto), and have followed up our request with numerous phone calls. While you have told us that you would search for these materials, you have yet to provide them to us.

We ask that you provide the Review Board with all materials relating to your work for the HSCA by the end of this month. If you will not provide them, please advise us so that we may consider whether a formal subpoena is appropriate.

Please call me at your earliest convenience to discuss this matter.

Sincerely,

Ronald G. Haron
Associate General Counsel
