

# FACSIMILE TRANSMITTAL

**TO:** Steve Tilley  
**FAX NO.:**

Thank you for your fax (dated 2/26/98) regarding potential records at the Department of Justice relating to Edwin Walker and Jim Garrison.

We recently requested files on Walker and Garrison from the Criminal Division (see December 11, 1997 Review Board letter to Criminal Division attached hereto).

I spoke with the Criminal Division today. They have identified, and are recalling from storage, a Garrison file (82 series) and some Walker files (although not a 145 series). We won't know for certain whether these files still exist until they are physically located and provided to the Division.
