c/o Mr. Ken Johnston, Collection Editor
902 Broadway, 5th Floor
New York, New York 10010

Dear Mr. Johnston:

It was a pleasure to speak with you yesterday about various UPI photographic assassination-related records the Bettmann Archives may have, including the film made by Orville Nix.

For your information, I've enclosed a fact sheet about the Review Board, a copy of our legislation, and a pamphlet published by the National Archives that describes the JFK Records Collection. Please share this information with Assistant Director Anne Rudden and Director Herb Gstalder. Please feel free to contact me at ext. 258 if you or your colleagues have any further questions.

On behalf of the Review Board, I appreciate your interest in assisting our efforts to add records to the JFK Collection. I look forward to speaking with you again soon.

Sincerely,

David R. Montague
Investigator
