Ms. Betty Bryant
Human Resources Director
East Louisiana State Hospital
PO Box 498
Jackson, LA 70748

Dear Ms. Bryant :

Thank you for taking the time to speak with me by telephone this morning. I'm looking forward to meeting with you on Wednesday October 5, 1995 at 10:30 am at your office.

After we got off the telephone I reviewed more information about possible assassination records associated with the East Louisiana State Hospital. I wanted to let you know about them now in the hope you will have a chance to look for the records and/or speak with people who may know about them before my visit in two weeks. Please review your files for records concerning Dr. Frank Silva, Dr. Butterworth (who I understand was a former director of the hospital) and Timothy Leary for any associations these men may have had with Tulane University, East Louisiana State Hospital, and the CIA's MK/ULTRA experiments of the late 1950's or early 1960's.

Thank you for the information about Ms. Drane. I appreciate all of the effort and time you will devote to preparing for my visit. My thanks to you in advance.

Sincerely,

Anne Buttimer, Esq.
