Dear Mr. Bundy:

It was a pleasure to speak with you about the Kennedy assassination and the work of your late father-in-law, Wayne Birdsell, with the Warren Commission as an employee of Ward & Paul. As I mentioned on the phone, we are particularly interested in the Warren Commission meeting of September 18, 1964. I would appreciate it if you could review the records of your late father-in-law for anything that might be relevant to this meeting.

I have enclosed a pamphlet about the Review Board, a copy of our legislation, and a pamphlet published by the National Archives that describes their JFK Records Collection.

On behalf of the Review Board, I appreciate your efforts to assist us. Please feel free to contact me collect at ext. 258 if you have any questions or comments about this material and to discuss the results of your search. I look forward to hearing from you in the near future.

Sincerely,

David R. Montague
