Dear Ms. Caillet:

Thank you for taking the time to speak with me recently about your recollections of President Kennedy's assassination. I appreciated the information you provided and will use it to fulfill the Review Board's Congressional mandate to identify and locate assassination-related records.

I have enclosed for your information a fact sheet about the Review Board, a copy of our legislation, and a pamphlet published by the National Archives that describes the JFK Records Collection. Please contact me at ext. 258 if you have any questions or if the material helps to refresh your memory regarding other assassination-related records.

On behalf of the Review Board I appreciate your assistance in our efforts to add records to the JFK Collection. I look forward to speaking with you again.

Sincerely,

David R. Montague
