Dear Mr. Evica:

I am writing to follow up on my letters of July 21 and September 12, 1995, concerning our telephone interview in July about the Dallas motorcade of November 22, 1963. As I told you when we spoke, the research you conducted and the written work you produced may be of great value to the Review Board in identifying and locating additional assassination-related records that should be included in the JFK Records Collection.

Thank you also for your kind remarks at the COPA conference. Now that the conference is over, I'm asking you to please send us the information we spoke about in July and that you referenced this past weekend. I greatly appreciate the time you've taken to assist the Review Board generally and my investigative work specifically with your research about the Dallas motorcade.

Please do not hesitate to call me at ext. 229 if you have any questions about this matter. May I hear from you soon? Thank you.

Sincerely,

Anne Buttimer, Esq.  
Chief Investigator
