Dear Mr. Lopez:

I am writing to follow up on my several recent telephone calls to you. Thank you for offering to gather the names, current addresses, and telephone numbers of as many your former House Select Committee on Assassinations colleagues as possible. Every name added to the list is a bit of help, and I appreciate your offer to pull some of this information together. I would appreciate receiving a response from you at your earliest convenience.

Enclosed please find a photocopied list that was created for the HSCA 10th reunion in 1987. I apologize for the poor quality of the copy but would appreciate it if you would review the list and cross out anyone who you know worked solely on the Martin Luther King case. If you recognize the names of people who worked on both the King and Kennedy cases, please do not cross those names off. Also enclosed is a stamped, self- addressed envelope for you to use to send this list back to me.

Thank you for your time and cooperation with the Review Board's work. I look forward to hearing from you soon.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
