Mr. Richard D. Manuel
5762 Rue Montmartre
Columbus, Ohio 43229

Dear Mr. Manuel:

I am writing to follow up on Dr. Kermit Hall's letter to you of August 24. I was given a copy of his letter yesterday.

I am the Review Board's Chief Investigator and am the person actually responsible for all non-Federal sources of assassination records. The New Orleans aspect of the Review Board's assassination records search is a vitally important one. I would like to contact you in several weeks when I return from a business trip to discuss the records you wrote to Dr. Hall about.

Thank you for your patience in awaiting our reply. Please feel free to call me at ext. 229 in the meantime if you have any questions or concerns.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
