Dear Mr. Mastrovito:

In connection with my recent conversation with Louise of your household about the Kennedy assassination and her confirmation of your being a former member of the United States Secret Service, I am enclosing a copy of our legislation and some explanatory material.

We are interested in any relevant records you might have. Either an analyst on the staff or I will contact you in the near future. In the meantime, please feel free to contact me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
