Dear Mr. McMahon:

In connection with our recent conversation about the Kennedy assassination and your activities as part of the National Photographic Interpretation Center (NPIC) in 1963, I am enclosing a copy of our legislation and some explanatory material.

As I mentioned, we are interested in any relevant information or records you might have. We will contact you early next week to arrange a more substantive meeting at the National Archives, as we discussed. In the meantime, please feel free to call me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
