Dear Mr. Monier:

It was a pleasure to speak with you recently about the Kennedy assassination. I have enclosed a pamphlet about the Review Board, a copy of our legislation, and a pamphlet published by the National Archives that describes their JFK Records Collection. As you review this material, it will become clear that the Review Board is interested in any organization or individual that might be a source of assassination-related records.

Either a member of our Military Records Team or I will contact you in the near future. In the meantime, please feel free to contact me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
Investigator
