RE: Waggoner Carr and Congressman Mahon's Papers;
George McClendon's Audio tapes.

Dear Dr. Murrah:

I'm writing to follow up on my letters and telephone calls of the past several months. The Review Board is interested in adding copies (photocopy and/or microfilm) of the assassination-related records you mentioned during your public hearing testimony to the John F. Kennedy Records Collection. We can make some provisions to bear the cost of microfilm copies, shipping costs, etc. and would appreciate being able to obtain these records at your earliest convenience.

Investigator Dave Montague will be handling this matter from now on. Please contact him at ext. 258 if you have any questions or concerns about the matters we discussed, or if he may assist you in any way in acquiring these records for the JFK Records Collection.

Thank you for your ongoing interest in the Review Board's work.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
