Mr. David Petree  
Director  
National Personnel Records Center  
9700 Page Avenue  
St. Louis, Missouri 63132

Dear Mr. Petree:

During the past two years, we have received significant support from Mr. William Siebert and Mr. Bassman in obtaining records relevant to our efforts. We are currently working on additional projects for which I wish to send a member of my staff to the NPRC. We have discussed this project with Mr. Siebert and Mr. Bassman and have informally set August 13 - 14 as the dates for this visit. We have discussed the files we would like to review with the appropriate individuals.

Please let me know if you see any problem with our proceeding with this research visit as tentatively scheduled. Thank you again for your continued assistance with the efforts of the Review Board.

Sincerely,

David G. Marwell  
Executive Director
