Re: Mr. Michael Burch

Dear Ms. Dauenhauer:

It was a pleasure to visit your office last week concerning the estate of Evelyn Lincoln. One of your clerks, Michael Burch, was especially helpful. The information your office provided will assist the Review Board in carrying out its mandate to identify, locate, and make available all records related to President Kennedy's assassination.

On behalf of the Review Board, I again express my appreciation for the efforts of your staff.

Sincerely,

David R. Montague
Senior Investigator
