Dear Ms. Reid:

It was a pleasure to speak with you about the John F. Kennedy Assassination Records Review Board and your information concerning a possible second gunman.

Your quick response to the Board's public request for information about the assassination is greatly appreciated. As we discussed over the telephone, if you have any records concerning Bill Horbally (for example a diary or photos), we would be interested in hearing about them.

I have enclosed a fact sheet and an Archives brochure to provide you with more information on the Review Board and the JFK Collection. On behalf of the Review Board, I appreciate your interest in assisting our efforts to add records to the Collection.

Please feel free to contact me at Ext.258 with any questions or concerns you may have. Thank you again for your assistance.

Sincerely,

David R. Montague
Investigator
