Dear Mr. Russell:

I apologize for taking so long to write regarding my call to you of July 17. When I checked to see why you had not received David Marwell's June letter, I found that a letter had not been sent.

I did want to write to you before I call again in order for you to have in writing the Review Board's request for the collection of private papers of the H. L. Hunt family that you offered to the JFK Collection at the Boston public hearing in March 1995.

I will call you again next week to discuss the transfer of these documents to the JFK Collection. I look forward to speaking with you again at that time. Thank you.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
