Dear Gus:

As part of my inquiry to the Miami Police Department to obtain its assassination records, I reviewed your March 7, 1995 letter to the Review Board wherein you mentioned the need to get all Miami Police Intelligence Division files on known or suspected pro-Castro agents in Florida, especially the files of Detective G. M. Zenoz.

Will you please send me more information on Detective Zenoz that I can use as identifiers or locators of information within the Miami Police Department files? Also, if you have developed any other names connected to these issues that the Review Board should be aware of as it requests records, please advise me of the same.

Thank you for your response and your ongoing cooperation with the Review Board's work.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
