Dear Mr. Walsh:

Thank you again for your call yesterday concerning the information about the Nix film. I will appreciate anything you can send in that regard.

I'm sorry I had to end our conversation so quickly, but a call was coming in that I'd been waiting for all day. I am interested in the additional information you alluded to. Would it be easiest for you to send over any memos or records you might have about these other sources of assassination records? I could read what you send, familiarize myself with it, and we could then set a time to meet to discuss it. I will leave this to your discretion.

Thank you for your ongoing interest and assistance.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
