Milford, Delaware 19963

Dear Mr. Wiegman:

I would like to take this opportunity to introduce you to the Assassination Records Review Board, an independent federal agency created by The President John F. Kennedy Assassination Records Collection Act of 1992 (PL 102-526) to oversee the review and release of records related to the assassination of President Kennedy. President Clinton appointed the five members of the Board in April 1994. I have enclosed a pamphlet on the Review Board for your information.

An important part of the Review Board's mandate, as articulated by the United States Congress, is to compile at the National Archives as complete a record of the assassination as possible. The Congress clearly stated that the Review Board was to search beyond the records of previous governmental investigations and seek relevant assassination records that are in private hands.

The film you made while employed as an NBC cameraman concerning the assassination of President Kennedy in Dallas on November 22, 1963, has prompted this letter. The Review Board is interested in discussing this film with you, along with any other material you may have that is relevant to the assassination of President Kennedy.

As a follow-up to this letter and enclosed information, David R. Montague, an investigator on my staff, will be contacting you again in the near future to discuss this matter. Please do not hesitate to call him at (202) 724-0088, ext. 258, if you have any questions.

Sincerely,

David G. Marwell
Executive Director
