

October 17, 1996

Ms. Lisa Polisar  
Vice President - Education  
National Capitol Chapter  
Association for Information and Image Management  
P. O. Box 7516  
McLean, Virginia 22106-7516

Dear Lisa:

Thank you very much for your letter of October 3, 1996.

I would very much like to accept your invitation to speak at this year's seminar, "Navigating the Information Jungle." Mr. Chet Rhodes and I will describe how we have developed Lotus Notes applications to assist us in our work.

I look forward to seeing you again.

Sincerely,

David G. Marwell
