Dear Mr. Griffith:

Thank you for your letter of November 14, 1995, which took several weeks to arrive here only to be, I am embarrassed to report, promptly misplaced. I hasten to get this letter off to you to explain the long delay; you can expect a substantive reply to the issues you raise in your letter to arrive in the very near future.

I apologize for this oversight.

Sincerely,

David G. Marwell  
Executive Director
