Dear Mr. Chairman:

Thank you for your letter of July 9, 1997, regarding President Clinton's Memorandum encouraging the use of Project Labor Agreements.

The Assassination Records Review Board was established by the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. 1997), and is responsible for overseeing the identification, review, and release of records related to the assassination of President John F. Kennedy. The Review Board will complete its work by September 30, 1998. There are no plans for any action that would involve a Project Labor Agreement or any other matters that would come under the jurisdiction of the Subcommittee on Oversight and Investigations of the Committee on Education and Workforce.

Please do not hesitate to contact me if you need additional information or have any questions.

Sincerely,

David G. Marwell  
Executive Director
