Mr. Kip Lady
Staff Assistant
Committee on Government Reform and Oversight
House of Representatives
2157 Rayburn House Office Building
Washington, D.C. 20515

Dear Kip:

Thank you for arranging for Tom Samoluk and me to meet with Dan Moll, Jeff Schaffner, and you on Thursday. We appreciate that this is a busy time for the Committee.

I hope that the meeting was helpful to all of you. For us, it was an important opportunity to present why the Board needs the additional year of operation. As we stated, the FBI and CIA records that remain to be reviewed by the Board are critical to the JFK Collection at the National Archives.

Again, thank you for your time and interest in the future of the Board. We look forward to working with you. Please do not hesitate to contact Tom or me at 724-0088 if we can answer any other questions or provide additional information.

Sincerely,

David G. Marwell
Executive Director
