Dear Bill:

I very much appreciate the time that you spent with us in Dallas several weeks ago. As I indicated, it seems to me that we are all in the same business: making information concerning the assassination of President Kennedy widely available to the American people. Our primary concern, as it should be, is with the evidence. I am confident that we can work together in the coming months.

We really enjoyed the lunch and tour of the Oak Cliff area. Thanks so much for your gracious hospitality.

Sincerely,

John R. Tunheim  
Chair
