

MEMORANDUM

TO: File 1.1.3

FROM: Jerrie Olson

DATE: August 4, 1997

SUBJECT: Matthew Sokolowski

Matthew Sokolowski had been under consideration for an analyst position. He had to know our decision by August 4 in order to make other plans if he would not be coming to work here. I called him today to let him know that we regret we are unable to offer him a position with the Review Board at this time.
