Mr. David Petree
Director
National Personnel Records Center
9700 Page Avenue
St. Louis, MO 63132

Dear Mr. Petree:

I am writing to express my appreciation of the efforts of you and your staff to cooperate fully with the work of the Assassination Records Review Board. One of my staff, Dr. K. Michelle Combs has just returned from spending three days at both the NPRC facilities and was very favorably impressed with the expertise of your staff and their willingness to go out of their way to locate desired records. I understand that Gary Maxwell in civilian records and Eric Voelz in military records were particularly helpful in locating hard to find records. The NPRC is an excellent example of the positive benefits of cooperation among federal agencies.

We look forward to continuing to work with the NPRC to further the objectives of the JFK Act and compile the most complete historical record possible of the events surrounding the assassination of President John F. Kennedy.

Sincerely,

David G. Marwell
Executive Director
