Mr. David Petree
Director
National Personnel Records Center
9700 Page Avenue
St. Louis, Missouri 63132

Dear Mr. Petree:

Over the last year, we have received significant support from Mr. William Siebert and Mr. William Bassman in obtaining records relevant to our efforts. We are currently working on several projects for which I wish to send a member of my staff to the NPRC (we also have a few files to review from our previous visit). We have discussed this project with Mr. Siebert and Mr. Bassman and have informally set December 19-20 as the dates for this visit. We have sent a list of those files that we would like to review.

Please let me know if you see any problem with our proceeding with this research visit as tentatively scheduled. Thank you again for your continued assistance with the efforts of the Review Board.

Sincerely,

David G. Marwell
Executive Director
