Dear Mr. Backes:

This is in response to the letter that you faxed to the Review Board on October 18, 1995.

First, you have correctly identified an error in the Notice of Final Determinations regarding FBI document number 124-10244-1077.

Second, the Review Board is in possession of the Garrison grand jury transcripts. The Board is working towards ensuring that their legal status is clear before doing anything else with these documents

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
