Dear Colonel Marvin:

Thank you for your letter of September 22, 1995 regarding the materials you sent to the Board.

The Review Board has received a large volume of information regarding the assassination from the public. All of this information, including what you have provided the Board, will be carefully reviewed to ensure that the Board accomplishes its mandate in an effective and efficient manner. As I know you are aware, it is not the Board's responsibility under the law to answer the questions that remain concerning the assassination and its aftermath. It is our duty to do our best to find all of the remaining assassination records and secure them at the National Archives so that the public has full access to them.

Again, thank you for your interest in the Review Board. I appreciate your taking the time to write to us.

Sincerely,

Thomas E. Samoluk, Esq.  
Associate Director for Communications
