Dear Mr. McNamara:

Thank you for your letter of June 3, 1996 to Review Board Chairman John R. Tunheim regarding the records of the House Un-American Activities. Chairman Tunheim asked me to respond to you. We appreciate your taking the time to write such a detailed and informative letter.

I have shared copies of your letter with the Executive Director and other staff members who are involved in acquiring and reviewing Congressional records for the JFK Collection. We are excited about the information that you have provided and intend to pursue it aggressively. We may want to follow-up with you once we make some initial inquiries and find out more information about the status of the records that you have described.

Your letter to Chairman Tunheim contained the type of promising information that we are seeking to make the JFK Collection as complete as possible for the American public. Again, on behalf of the Review Board, thank you for your letter. We look forward to being in contact with you in the near future.

Sincerely,

Thomas E. Samoluk, Esq.
