Dear Mr. Morningstar:

Thank you for your letter dated June 17, 1996.

The Review Board has received a large volume of information regarding the assassination from the public. It is not the Board's responsibility under the law to answer the questions that remain concerning the assassination and its aftermath. However, it is our duty to do our best to find all of the remaining assassination records and secure them at the National Archives so that the public has full access to them.

Again, thank you for writing, and for your interest in the work of the Review Board.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
