Dear Ms. Needham:

Thank you for your letter dated June 14, 1996.

It is not the Board's responsibility under the law to answer the questions that remain concerning the assassination and its aftermath. However, it is our duty to do our best to find all of the remaining assassination records and secure them at the National Archives so that the public has full access to them.

I am not aware of the clip you mentioned seeing on a news production last year.

Again, thank you for writing and for your interest in the Review Board.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
