Dear Mary:

Thank you very much for sending us an original copy of Michael Dorman's April 30, 1996 article about the recent release of Jim Garrison's and Edward Wegmann's records. As always, you have been friendly and helpful to us as we try to secure a comprehensive news clip collection that will eventually be available to the American public.

I have enclosed sample documents from the above mentioned files for you to keep. As you may recall, Jim Garrison, former New Orleans District Attorney, put Clay Shaw on trial for conspiring to assassinate President John F. Kennedy. Mr. Shaw was acquitted of those charges. The enclosed documents are from that trial and were donated to the JFK Assassination Records Collection by the Garrison and Wegmann families.

Thanks again, and please do not hesitate to contact me if you have any questions.

Sincerely,

Eileen A. Sullivan  
Assistant Press and Public Affairs Officer
