

1. What is topic of the show? La Fontaine theory or assassination in general?
2. Format? Who is on when?
3. We want Jack with Oprah
 - Reasons:
 1. We are independent federal agency
 2. We are not mandated to draw conclusions, so cannot comment on any theory, it would be inappropriate
 3. Cannot be associated, for or against any theory
 4. Our job is to make records available and that is what the Judge could talk about
 5. Our work is ongoing and thus the Judge could not talk in specific terms about records the LaFontaines and Marina think exist
4. Jack can do the pre-interview telephone call any day, must be scheduled in advance, he will take a break from his case and call the producer, he can talk for 15 minutes, must avoid 9:00 - 10:30 a.m. (Central time)
5. Jack could tape the show on Tuesday afternoon; he would fly in from Washington that day (time would depend on the taping time)
 - We need to know:
 1. What time does he need to arrive at studio?
 2. What time will the taping be? Start time? End time?
 3. Where is the studio located? Downtown Chicago? Address?
6. Eileen- For you- For Jack's info -- needs to know times of flights he could get out of DC to Chicago
7. Eileen - For your info -- If they said they want Jack with Marina -- we should resist -- but Jack said he would probably be okay with that -- But, for anything other than Jack on along with Oprah for a segment, tell her you have to check with the Judge before agreeing
