Dear Mr. Palamara:

Thank you for your letter of June 14, 1996 and the accompanying synopsis of some of your interviews relevant to the assassination of President Kennedy.

The synopsis which you enclosed will become part of the permanent records of the Assassination Records Review Board. The Review Board records will become part of The President John F. Kennedy Assassination Records Collection (JFK Collection) at the National Archives.

I look forward to receiving the audio tapes of your interviews with various Secret Service agents. Please consider if there are additional tapes of interviews that you think would further enrich the historical record of the assassination. Upon receiving the audio tapes, a review will be conducted of them. I am assuming that the tapes will be an appropriate and important addition to the JFK Collection. Following the receipt and review of the tapes, we would provide you with a Deed of Gift that would be used as the vehicle to make the tapes a part of the JFK Collection at the National Archives.

Again, thank you for writing again and for all of your cooperation. The Review Board appreciates your generosity and we look forward to hearing from you in the near future.

Sincerely,

Thomas E. Samoluk

Associate Director
