Dear Mr. Palamara:

Re: Deed of Gift to the President John F. Kennedy Assassination Records Collection at the
National Archives and Records Administration

Enclosed please find two signed originals and one photocopy of the Deed of Gift for the historical materials that you have donated to the JFK Collection. Please sign both originals and return them to our office in the enclosed envelope. We will return to you one of the signed originals after we receive all signatures. You may keep the photocopy for your records.

Please carefully review the Deed of Gift before you sign and do not hesitate to call if you have any questions or concerns.

I would also like to take this opportunity to thank you for your letter of June 27, 1996 and the videotape. As I mentioned during our most recent telephone conversation, the tape has already been useful to one of my colleagues. The tape is now part of our permanent records that eventually become part of the JFK Collection at the National Archives.

Again, thank you for all of your cooperation and assistance to the Review Board.

Sincerely,

Thomas E. Samoluk
Associate Director
