*Dear Sir/Madam:*

I would like to take this opportunity to provide you with an update on the activities of the Assassination Records Review Board. There have been many new developments that may be of interest to you.

Since June of 1995, the Board has been reviewing and releasing documents relating to the assassination of President John F. Kennedy, most notably from the CIA and FBI. The Review Board has released previously classified records, some of which have been secret for over 30 years. These documents are now available to the public.

The Review Board is also pursuing assassination records held by state and local government agencies and in private hands.

Enclosed for your information are recent news clips on the Board's work. If you are interested in having a representative from the Review Board as a guest on one of your shows, or if you have any questions, please do not hesitate to call Eileen Sullivan at (202) 724-0088, ext. 253.

Thank you for your time and attention to this matter.
