### COMMENTS:

Dear Mr. Reeves:

Thank you for your prompt response to our invitation to testify at the public hearing in Los Angeles. We regret that you will not be able to join, but understand that you have a busy schedule and divide your time between the east coast and the west coast.

Your work on the Kennedy administration has been of great interest to many of us. It has assisted us in setting the stage for delving into the "assassination records" and defining the universe of records that are "related" to the assassination.

Again, thank you for responding to us quickly and for your good wishes. We will continue to seek to fulfill our mandate as articulated by the President John F. Kennedy Assassination Records Collection Act of 1992.

Sincerely,

Thomas E. Samoluk  
Associate Director
