Dear Mr. Lee:

I would like to take this opportunity to apprise you of the outstanding service that Ms. Renee Robertson has provided to the Assassination Records Review Board since November 1994.

Ms. Robertson has provided everything a client could want: prompt service, efficiency, an understanding of our needs and a willingness to take the extra step for us that ensures that we do not miss something important. During the course of any day I deal with a lot of different people and inevitably a conversation with Ms. Robertson is one of the most productive and pleasant. Frankly, given the high level of service that we have received on a consistent basis from Ms. Robertson, it is difficult to imagine dealing with anyone else when it comes to acquiring dubs of coverage that our agency has received.

Thank you for your time and attention to this matter. I hope Ms. Renee Robertson will receive the recognition that she deserves for a job well done.

Sincerely,

Thomas E. Samoluk

Associate Director for Communications
