Dear Reverend Sorenson:

This is in response to your letter of September 10, 1996 regarding certain testimony of FBI Special Agent Regis L. Kennedy.

I am not familiar with the testimony and do not believe that the Board had dealt with any such document. Perhaps it will turn up as we continue our pursuit of records in New Orleans. As I know you are aware, the document could already be in the JFK Collection, although I have no specific knowledge of that.

As always, thank you for writing. I wish I could be of more assistance in this matter.

Sincerely,

Thomas E. Samoluk, Esq.  
Associate Director
