Dear Ms. Sullivan:

Thank you for your letter dated February 22, 1996. Per your request to receive additional sets of material with each mailing, I suggest that these individuals instead be put on the mailing list. Due to the size of the mailing list, and the volume of material we distribute, it is difficult to fulfill individual requests of this nature.

Please feel free to contact me with their addresses, or suggest they contact me by phone or mail.

Sincerely,

Eileen A. Sullivan
