Dear Richard:

Per our conversation of last week, I am enclosing three video tapes for your review. They are:

KTVT - 53 minutes

This is a copy of the beta tape which they sent to me. They said that it included all of the footage that they had left. Everything else is gone.

KXAS - 25 minutes

This is a copy of the beta tape which they sent to me. They said that it included all of the footage that they had left. Everything else is gone.

WFAA/Alyea - 3 minutes

This is a copy of a 16 mm film which is in the Archives and part of the JFK Collection. It apparently was given to the FBI by WFAA in 1963 or 1964.

I would be interested in knowing if there is anything on these tapes which you have not seen before. I will be in Dallas until Friday, but perhaps we could talk when I return. As I mentioned, we will need these tapes back, but take your time reviewing them.

Thank you for your continued support and interest in the Board's work.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director
