Hesther:

Per our telephone conversation, I am faxing the August 1, 1996 letter and attachment that we previously sent inviting Mr. Valenti to testify before the Review Board at a public hearing in L.A. on September 17, 1996. As you may be aware, Mr. Valenti testified in support of the legislation creating the Review Board and in support of releasing the JFK assassination files. The Board would very much like to hear from him, if at all possible. We expect that there will be extensive media coverage of the hearing. His testimony would add greatly to the hearing.

I would appreciate if the letter and initiation is brought to Mr. Valenti's attention again. Thank you for your help and I look forward to hearing from you.
