Dear Ms. Veazey:

Per our conversation of Thursday, June 6, 1996, I am sending two copies of the corrected Deed of Gift and a copy for your files. Please follow the instructions contained in the earlier letter. I apologize for the typographical error in the earlier version. In our haste to get it to you quickly, we overlooked that error.

We look forward to getting two signed copies of the Deed of Gift back from you. Your continued cooperation and patience throughout this entire event is much appreciated and much admired.

Sincerely,

Thomas E. Samoluk
Associate Director for Communications
