

## Sheridan

Our talking points

1. Enforcement of subpoena
2. Miller treating like full-blown litigation
3. Records never in NBC hands
4. Were in gov't agency for 17 years

do we go on the record ( I think we have to, but give him a lot on background)

who talks for us (if on the record)

will DOJ talk

chronology of case

what has DOJ requested

Miller background

questions for us:

why are we pursuing?

Is it worth it?
