**Subject:** ARRB/discrimination policy  
**Date:** July 20, 2017

Dear Christopher:

As a small, temporary agency, the Assassination Records Review Board (ARRB) follows the guidelines set forth by the Office of Personnel Management (OPM.) This policy specifically prohibits discrimination on the basis of sexual orientation. I have attached a two paged letter from OPM Director James King to Representative Barney Frank which outlines this policy.

Sincerely,

Eileen A. Sullivan
